

Leadership Correspondence Course

The DeMolay **Leadership Correspondence Course** (LCC) is really five separate courses. They have been designed to give a better overall picture of DeMolay. Each course is offered at \$4 per course and must be taken in consecutive order (*Note: a course retake fee of \$3 will be assessed if a course must be retaken*). No tests will be returned to the student.

With the successful completion of the first course, the student will receive a certificate. Active DeMolays will also receive a white merit bar. Upon completion of each additional course, the "DeMolay" student will receive a new merit bar in a different color, corresponding to the particular course being taken. Completion of the fifth course entitles all students (DeMolays, Advisors, Sweethearts, Parents, and Friends) to purchase the very prestigious **Lamp of Knowledge** lapel pin.

To enroll in the **Leadership Correspondence Course**, please complete the application below and return it to DeMolay International. If you have any questions, please call 1-800-DeMolay (1-800-336-6529).
